## CONDITIONS OF SALE

### TERMS

#### STRICTLY 30 DAYS

Accounts past due date will not be supplied further goods until payment is received.

#### GST

10% applicable to all items.

#### FREIGHT

FIS for orders over \$550.00, under \$550.00 postage charge of \$13.50 plus GST will apply.

#### INSURANCE

Buyers Responsibility

#### SUPPLY

The Customer agrees that the legal title to and the ownership of the goods is only transferred to the customer upon payment in full to Newlon Line Co Pty Ltd for the goods and that the legal title is retained by Newlon Line Co Pty Ltd until that time. If payment shall not have been made until any cheque tendered by the customer to Newlon Line Co Pty Ltd has been met on presentation.

Once the goods are dispatched to the customer, the customer accepts liability for damage to or loss of the goods and agrees that Newlon Line Co Pty Ltd shall not be liable for consequential damages directly or indirectly resulting from the loss or damage of any goods and further agrees that the liability of Newlon Line Co Pty Ltd, if any, shall be limited to the contract value of that item or items so lost or damaged.

#### CLAIMS

No claims for shortage or damage can be recognized unless made within 7 days of receipt of goods. Claims of faulty goods must be sent freight paid. All items subject to factory inspection before replacement considered.

#### CREDIT

No goods are to be returned without prior arrangement. No claim recognised unless made within 15 days of invoice date. Goods accepted for return must be in original product packaging and received in good condition. Acceptance of goods by company or agent does not constitute acceptance for credit. Goods will only be credited after company's final approval. All returns or claims must be accompanied with invoice number, from Newlon Line Co Pty Ltd.

Each delivery shall be considered a separate contract and the failure of any delivery shall not violate the contract as to other deliveries.

The seller shall not be held responsible for losses arising from delay in delivery or non-delivery by reasons of strike, labour dispute, restriction of transport facilities, fire, accident, fuel or power shortage or any other cause beyond his control.

No alteration to this contract will be recognised unless written.

E & O E

## SCHNEIDER 100% CRYSTAL CLEAR FLUOROCARBON LEADER

Schneider 100% Fluorocarbon is a superior line made from the highest grade of pure PVDF Fluoro-Polymer, delivering near zero visibility below the water.

Schneider 100% Fluorocarbon delivers ultra-abrasion resistance, excellent knot strength with minimal stretch and fast sinking. It is smooth to handle and incredibly sensitive to feel every bite.

Diameter	Breaking Strain		30mts Spools	40mts Spools	50mts Spools	80mts Spools	100mts Spools
	10lbs	4.5kg					
0.28mm	10lbs	4.5kg	-	-	-	-	\$16.70
